

# The 1970 GRAVELY Riding Tractor.

We'd sell even more of them if the old Gravelys didn't last so long.

That old tractor is 15 years old and still going strong. Which should come as no surprise to you, if you've ever talked to a Gravely owner. We sell many of our new tractors because of word-of-mouth praise by owners who know how long their old Gravelys last.

As good as our old tractors are, the new Gravely Riding Tractors are even better. You get an all-gear-drive, with no belts to slip or break...instant forward, neutral or reverse at the flip of a lever. A unique rear-mounted engine for extra traction

when the going's tough. Center or front-mounted mower to suit your needs. Choose from a variety of front, rear or center-mounted attachments—for mowing, gardening, snow removal and many other jobs—on a 10, 12, 14 or 16.5 H.P. tractor that's built better than it has to be.

Please let us send you a new catalog on Gravely Riding and Convertible Tractors, and the name of your Gravely dealer. Write: Gravely Corporation, 5603 Gravely Lane, Clemmons, N.C. 27012.
