

AME: ADDENDUM TO THE OPERATOR'S MANUALS
FOR THE 40", 50" AND 60" MOWERS

PART NO. 34427, 31220, 31229, 24678

To Install Mower Lift Pivot To Tractor, Do The Following:

- 1.) Lower attachment lift arm. If tractor has manual lift, put in lowest position. If tractor has hydraulic lift, hold hydraulic control handle in down position with engine running until lift arm is down.
- 2.) Insert mower lift pivot (Item 1) through the appropriate tear drop shaped hole in the lift arm for your particular attachment.
- 3.) Retain mower lift pivot with a hair pin cotter (Item 2).

ITEM NO.	PART NO.	QTY.	DESCRIPTION
1	11262	1	Mower Lift Pivot
2	15691	1	Pin, Hair Cotter
