

GRAVELY *Technical* **BULLETIN**

BULLETIN NO. 969

DATE: July 10, 1962

TO: ALL OUTLETS

SUBJECT: 1. Change in 20-Gallon Sprayer Part Numbers
2. Lengthening of Steering Sulky Axles

1. CHANGE IN 20-GALLON SPRAYER PART NUMBERS

The following parts of the 20-gallon Sprayer have been given new Part Numbers:

Gun-Jet, from Part Number 6032 to new Part Number SA-129; and

Relief Valve, from Part Number 6035 to new Part Number SA-128.

2. LENGTHENING OF STEERING SULKY AXLES

The Axles of the Steering Sulky have been lengthened slightly to accomodate a Dust Seal Washer, Part Number A-312.

All future shipments of the Steering Sulky will include the Dust Seal Washers loose with the hardware.
